

# Monsoon School on Urban Floods

Department of Civil Engineering,  
Indian Institute of Science,  
Bangalore 560012

July 3 - 8, 2017

## About the Event

The Department of Civil Engineering, Indian Institute of Science (IISc), Bangalore is organising a one-week Monsoon School on Urban Floods during July 3 – 8, 2017, as one of the outreach activities in the research project entitled, “Integrated Urban Flood Management in India: Technology Driven Solutions”, sponsored by ITRA (Information Technology Research Academy), Ministry of Information and Technology, Government of India.

The School will comprise of lectures and tutorials by experts, covering topics of urban meteorology, urban hydrology, radar and remote sensing analysis of rain events, engineering practices and post-flood responses. Group discussions will be arranged to bring out the relevance of the state-of-the-art tools and methodologies for managing urban floods in Indian cities.

The School was conducted successfully in the last three years. Research students, representatives from Govt. and Non-Govt. Organisations from various parts of India and neighbouring countries like Sri Lanka, Nepal and Bhutan have benefitted from the School.

## Venue and Date

Department of Civil Engineering, Indian Institute of Science, **July 3 - 8, 2017.**

## Registration Fee

There is no registration fee.

## Eligibility

The School is targeted at young researchers and practising engineers

## Accommodation

On campus accommodation may be considered for outstation participants on request.

## Contact Person

Please send completed application form to the following address by e-mail or hardcopy.

**Prof. P. P. Mujumdar,**  
Department of Civil Engineering,  
Indian Institute of Science,  
Bangalore, 560012  
E-mail: monsoonschool.iisc@gmail.com

## Application Form

Name: \_\_\_\_\_

University/Organisation: \_\_\_\_\_

Area of Work: \_\_\_\_\_

Telephone: \_\_\_\_\_

E-mail: \_\_\_\_\_

## Signature of the Candidate

Please attach your bio-data including date of birth, academic background and work experience.

## Important Dates

Last date for receipt of applications: **April 21, 2017**

Intimation to selected candidates: **May 22, 2017**
