

IST Lab does
outstanding work

that needs to be

taken very seriously

by policy makers to

make our cities better.

I've been a big student

of Prof Ashish Verma for

many years and immensely

gained from his wisdom.

Wishing 1st many more
years of success!

Srinivas Abilli
WRI India

Firstly Congratulations!!

Amazing work, its really encouraging
to know the research & intent coming through
at IISC - LST!

A lot to learn from and carry forward
to application!!

Great work — Great motivation
Looking forward to application further
and collaboration — to integrate for
Betterment of the City & Country.

Congratulations on the 15th Anniversary!
Excellent research work. Suggestion
to work with govt. bodies and try for
implementation of ideas on ground.

Warm regards,

Prinika

Exciting work to bring together

Science + Society + policy to

enable more dialogue to build a

resilient future!

Vinuta from ASAR

Exciting work to bring together
science + society + policy to

enable more dialogue to build a
resilient future!

Vincent from ASAR
completing 15 years!
collaboration
citizen

Many congratulations to IISc's IST dept.
for this imp. & pioneering work to
make sustainable cities & villages.

The great potential for the dev of the
country & K. wellbeing of citizens.

Kudos to Ashish sir, all professors &
students!
— Shreuti Parmar, KPMG (ESG).

Congratulations on completing 15 years!
great to see so many collaboration

projects with a lot of citizen
outreach.

Here's to building a better

Bangalore together!

Anatry
B, PAC

Amazing breadth
of innovation in
sustainable
mobility. Hope
many of these get
activated through
apt policy interventions

Best wishes to IST Labs

Keep continuing the service
to society with science &
evidence based research

- Sharada S. R
B. PAC

Congratulations
on this milestone
& many more to come

Great presentations
on so many relevant topics
Keep up the fantastic work
Thank you for sharing it
and answering all my
questions.

Johanna (ZHAU)

Fascinating Research Project

Waiting to see many of these
ready to impact!

Best wishes & regard
Naveen K
(Donani Foundation)

Really great to see such initiatives
benefiting the city. Hope to see
more impact-driven projects like these
in the future.

- Abhay (student)

Looking forward to
a continuing discussion
to create impact

Nidheya
BEST Cluster

Great to see so much
work that connects research practice
and disciplines. I am looking forward
to see some of this research translate
into impact. ~~Good work~~
Sujin Indica

Excellent portfolio of work in
the sustainable mobility context.
Useful for the rest of the country.
Great work and keep it going!
Congratulations on this milestone
Manjunath Sekher

Congratulations to ST Team
grants to be approved
— Wanda Lingam

Working for us is A
of successful collaborations
AP

Great work and Topics
↳ implication also for the
policy - makes 2 corporate
Community
- Ashwin Kall

Compliments to the
Research Scholars for
putting their skin in the
game for such arduous topics
Would love to see them
becoming ved. Rajit Pokharel

Great Initiative
All the Best!
Ravi Kumar
B.S.T

Excellent Work by IST Lab
Relevant topics, comprehensive
research. Look forward to
the recommendations being
implemented by the authorities!
— Jai Asundi, CSTEP

A Great initiative
to improve life
in Bengaluru.

Keep it up. IST lot.
